### Our Mission Statement

"Providing Hope and Encouragement Through the Comfort and Love of God's Word" - Based on Romans 15:4

# Pastor's Welcome

Welcome to Valencia Christian Center – your home away from home! Whether you're already a member or a guest, we welcome you and are so glad you joined us! February is a special month in several aspects. Valentine's Day falls in this month, a time when we celebrate the special loves of our lives. Let's be encouraged to find some creative ways to express our love for God and each other this month as well. Your expression of love makes a difference! February is also Black History Month. We are reminded to remember, acknowledge and celebrate the accomplishments of people and events in African American history and culture. While the observance of Black History takes place this month in America and Canada, it is also observed in Ireland, the Netherlands, and the United Kingdom in October. In addition, February is American Heart Month. It serves as a reminder to take care of our hearts. Heart disease is the leading cause of death in the United States for both men and women, accounting for 1 in every 4 deaths. However, heart disease can oftentimes be prevented by making healthier lifestyle choices and managing heart conditions. Celebrate and take good care. Many blessings to you this month!
