

Pastor's Welcome

Greetings! Whether you're a member or a visitor to VCC, we're so glad you're here! The restrictions of the current pandemic have continued longer than anticipated, but we look forward to in-person services again very soon and will keep you abreast of plans moving forward. In the meantime, we continue to experience God's presence and blessing as we unite and fellowship online. As we bid summer farewell, we also embrace the new fall season. And with every new season comes new opportunities from our Heavenly Father. As you explore new possibilities for the new season, remember that VCC is always here to support God's plan and purpose in your life as well. Continued blessings of grace and peace to you and yours.

We Are Family - Donations

We are family at VCC! During this time of physical distancing, we want to be socially (and spiritually) connected. Now is the time to do more calling, checking, helping, and using all of the different means that are available to communicate and keep in touch with one another. Most importantly, we want to make sure that everyone is doing ok and that your essential physical needs are met. If you have a need of food or supplies for your home, please complete the short form that can be found on our VCC resource page on our website. We will be in contact with you to support in any way we can. Don't be shy - remember, we're family! Go to our VCC website under the Resources tab here:

October is Breast Cancer Awareness

It's the time set aside each year to help increase awareness of the disease. Just as 2020 has been a year to remind us to face life's perilous challenges together to overcome them, the same principle applies to breast cancer. Your support makes a difference – it inspires hope, exemplifies faith toward effective care, and demonstrates compassion and love. As you think about how you can personally make a difference, below are two options in Santa Clarita worth considering.

Circle of Hope offers volunteer opportunities for their 31 Days of Hope event. Get more info at www.circleofhopeinc.org

Flair Cleaners is collecting donations for 3 nonprofits that fund research and provide resources for breast, prostate, and childhood cancers. 100% of your donation will be forwarded to your choice of the following organizations, and Flair will match donations up to \$5,000.

- National Breast Cancer Foundation
- ZERO – the end of prostate cancer
- CURE Childhood Cancer

For more information about donating,
email FlairCares@FlairCleaners.com
or call your local Flair Cleaners.
