We Need You! Are You Ready To Become a Resource Parent? A Resource Parent is someone who is trained and certified to be both a foster parent and an adoptive parent. Being a resource family is a special kind

of job with many demands and responsibilities. Acceptance, support and nurturing are critical in working with and understanding children who are experiencing conflict and sadness after being taken from their birth families. Being a resource parent involves more than just attending to the basic needs of a child. Transportation to parental visitations and medical and court appointments are often required.

Our Mission Statement

"Providing Encouragement and Hope Through the Comfort and Love of God's Word" - Based on Romans 15:4

Pastor's Welcome!

Greetings to all! Fall is here with all of its bounty, blessings and beauty! Someone once said that God gave us the season of fall for the sheer beauty of it. Someone else pointed out that whatever flowers we lose in the fall, we gain in seasonal fruits and vegetables. At any rate, we're excited and grateful for the opportunity to embrace this beautiful season while continuing to fellowship and serve together with our VCC family! If you haven't done so already, I invite you to take a fresh look at our VCC ministry groups and consider where you can actively participate. Together, we can serve and accomplish so much more. Feel free to contact Minister Sheila Preston with any questions you have about the various ministry group opportunities. Whether you desire to join an existing group or help to facilitate a new one, we welcome you! Let's continue to grow, serve and progress forward as united brothers and sisters in Jesus Christ.

Continued blessings to you and yours,

Pastor Swanzi
