Pastor's Message!

Greetings, VCC Family,

Can you believe we are already in the sixth month of the year?

Summer is here, and with it comes a season of abundance and harvest. During this time, the earth yields its fruits, and we are blessed to enjoy the harvest of the seeds we have sown. In June, as crops begin to ripen, we witness a period of fruitfulness and fulfillment. For many, this season also marks the start of summer vacations and a break from school. The days seem longer, and the sunlight brightens our lives, reflecting

the light of God's Son shining upon us. This is our season to relish the fruits of our labor and the seeds we have planted throughout the year. The Bible reminds us, "As long as the earth remains, there will be seedtime and harvest Genesis 8:22." Let us continue to sow seeds of labor, love, time, and resources in our families and in service to God. His light will shine upon us, extending our days and yielding a harvest of joy, happiness, and peace in our lives.

Enjoy these blessed summer months.

In His service,

Henry Pigeo

We Need You! Are You Ready To Become a Resource Parent?

A Resource Parent is someone who is trained and certified to be both a foster parent and an adoptive parent. Being a resource family is a special kind of job with many demands and responsibilities. Acceptance, support and nurturing are critical in working with and understanding children who are experiencing conflict and sadness after being taken from their birth families. Being a resource parent involves more than just attending to the basic needs of a child. Transportation to parental visitations and medical and court appointments are often required. To get details on how to become a resource parent or adopt, contact Minister Sheila at 661-556-6075 or Sheila.Preston@fosterfamily.org
